COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

KEN MERIDETH)	
)	
COMPLAINANT)	
)	
v.)	CASE NO. 2005-00313
)	
WARREN COUNTY WATER DISTRICT)	
)	
DEFENDANT)	

ORDER

On October 17, 2007, the Commission directed the Complainant to show cause in writing within 20 days why his formal complaint against Warren County Water District ("Warren District") should not be dismissed because he no longer has an ownership interest in the Greenwood Skate Center and therefore has no interest in the subject matter of the complaint. As of the date of this Order, Complainant has not responded to this Order.

On July 26, 2005, the Complainant filed a formal complaint with the Commission in which he alleged that Warren District was engaging in unfair, unlawful, and unreasonable practices by the manner in which it billed Greenwood Skate Center for water service. The Commission established this proceeding to address the issues presented in the Complaint.

On or about September 1, 2007, the Complainant transferred his ownership interest in Greenwood Skate Center. The new owners have not sought to substitute themselves for the Complainant or to otherwise intervene in this proceeding.

KRS 278.260(1) provides, inter alia, that “upon a complaint in writing made against any utility by any person that any rate in which the complainant is **directly interested** is unreasonable or unjustly discriminatory, . . . the commission shall proceed, with or without notice, to make such investigation as it deems necessary or convenient.” [emphasis added]. As a result of the transfer of ownership of Greenwood Skate Center, the Complainant no longer has a direct interest in this matter. Accordingly, we find that this matter should be dismissed without prejudice.

The Commission, on its own motion, HEREBY ORDERS that:

1. *This matter is dismissed without prejudice.*
2. Subject to the filing of timely petition for rehearing pursuant to KRS 278.400, these proceedings are closed. The Executive Director shall place any future filings in the appropriate utility’s general correspondence file or shall docket the filing as a new proceeding.

Done at Frankfort, Kentucky, this 28th day of November, 2007.

By the Commission
